

# 50 YEARS OF MEMORIES

Love, Lindy

I love that our first date  
was at The Michigan Navy  
Football Game. It was very  
hot, but wanting to impress  
me you bought a suede jacket  
and wore it!

It is not the  
destination that  
matters, It's the  
journey

I loved our  
first kiss

On July 20, 1969, a day that  
the entire world celebrates  
we became husband and wife.

"One small step for man  
One giant leap for mankind"  
Neil Armstrong

From every human being  
there rises a light that  
reaches straight to heaven.

And when two souls that  
are destined to be together  
find each other, their  
streams of light flow  
together, and a single  
brighter light goes forth  
from their united being.

## The Campaign for Belmont County Common Pleas Judge

Sometimes in a marriage when you have a new experience you discover new aspects of your spouse. Stan decided to run for Belmont County Common Pleas Judge in 1996.

We worked tirelessly on the campaign. We met many new people who believed in Stan and worked very hard for him.

Our first TV commercial appeared 1 minute before the Super Bowl!

Sometimes a negative result becomes a positive. Stan lost the election, it was devastating at the time. We didn't know what the future was bringing.

Our first trip  
to Israel with  
our family was  
life altering.

It was during the  
campaign. You reported  
back home about the  
situation in Israel.

I Love that  
you typed and  
proof- read  
my thesis for  
my Masters  
Degree
